

COLLEGE OF ENGINEERING, CONSTRUCTION & LIVING SCIENCES

New Zealand Certificate in Construction Trade Skills Level 3 Programme Equipment List

The following list is required for the **first day** of this programme

The following can be purchased from stationery stores such as Warehouse Stationery:

- A4 size folder with slide clip, or a ring binder with index cards
- Pad of A4 lined writing paper
- Pen, HB pencils and an eraser
- Scale rule (Building scales 1:5, 1:10, 1:50, 1:100)
- USB Pen Drive
- Scientific calculator – **cell phones not permitted in assessments as calculators.**

The following can be purchased from hardware stores such as Bunnings, Placemakers, Carters or Mitre 10 Mega:

- 8 metre tape (please ensure this tape reads in millimetres and not centimetres)
- Padlock for locker
- 1 metre carpenter's folding rule
- 2 **RED** builder's pencils – for use on timber

Personal Protection Equipment (PPE) – can be purchased from [Road Materials](#)

Please see the experts @ Road Materials to help with fitting your PPE, contacts are:
[Jeff Wilson](#) or [Calum Wenlock](#)

- Safety glasses – **must be fitted to your face properly** – approx. \$10-20
- Respirator and spare filters (for dust) – **must be fitted to your face properly** – approx. \$60
- Ear muffs (class 5) or class 5 non disposable ear plugs (**NO electronic ear muffs**) – approx. \$40
- An approved pair of safety shoes or boots (steel capped) – approx. \$100-300
- Working gloves – flexible snug fit for handling timber – approx. \$10-20

Personal Protection Equipment (PPE) must be fitted to your face correctly where applicable.

If these items do not meet Health and Safety requirements once onsite you will be required to replace them with the correct ones at your cost.

Text Books

- To be advised on your first day (we supply these at a cost of approx. \$50).
