KIA TŪ KI TE TAHI

## Our Mission | Ō Mātou Whakatakaka

### Build capability • Realise potential

We build the capabilities of individuals, organisations and communities and help them to realise their potential. Our people are our learners, our staff, and the organisations and communities which we serve. We build the capability of our people so that they have the skills, knowledge, aspiration and confidence to make a better world through positive impacts on families, organisations and communities, nationally and globally.

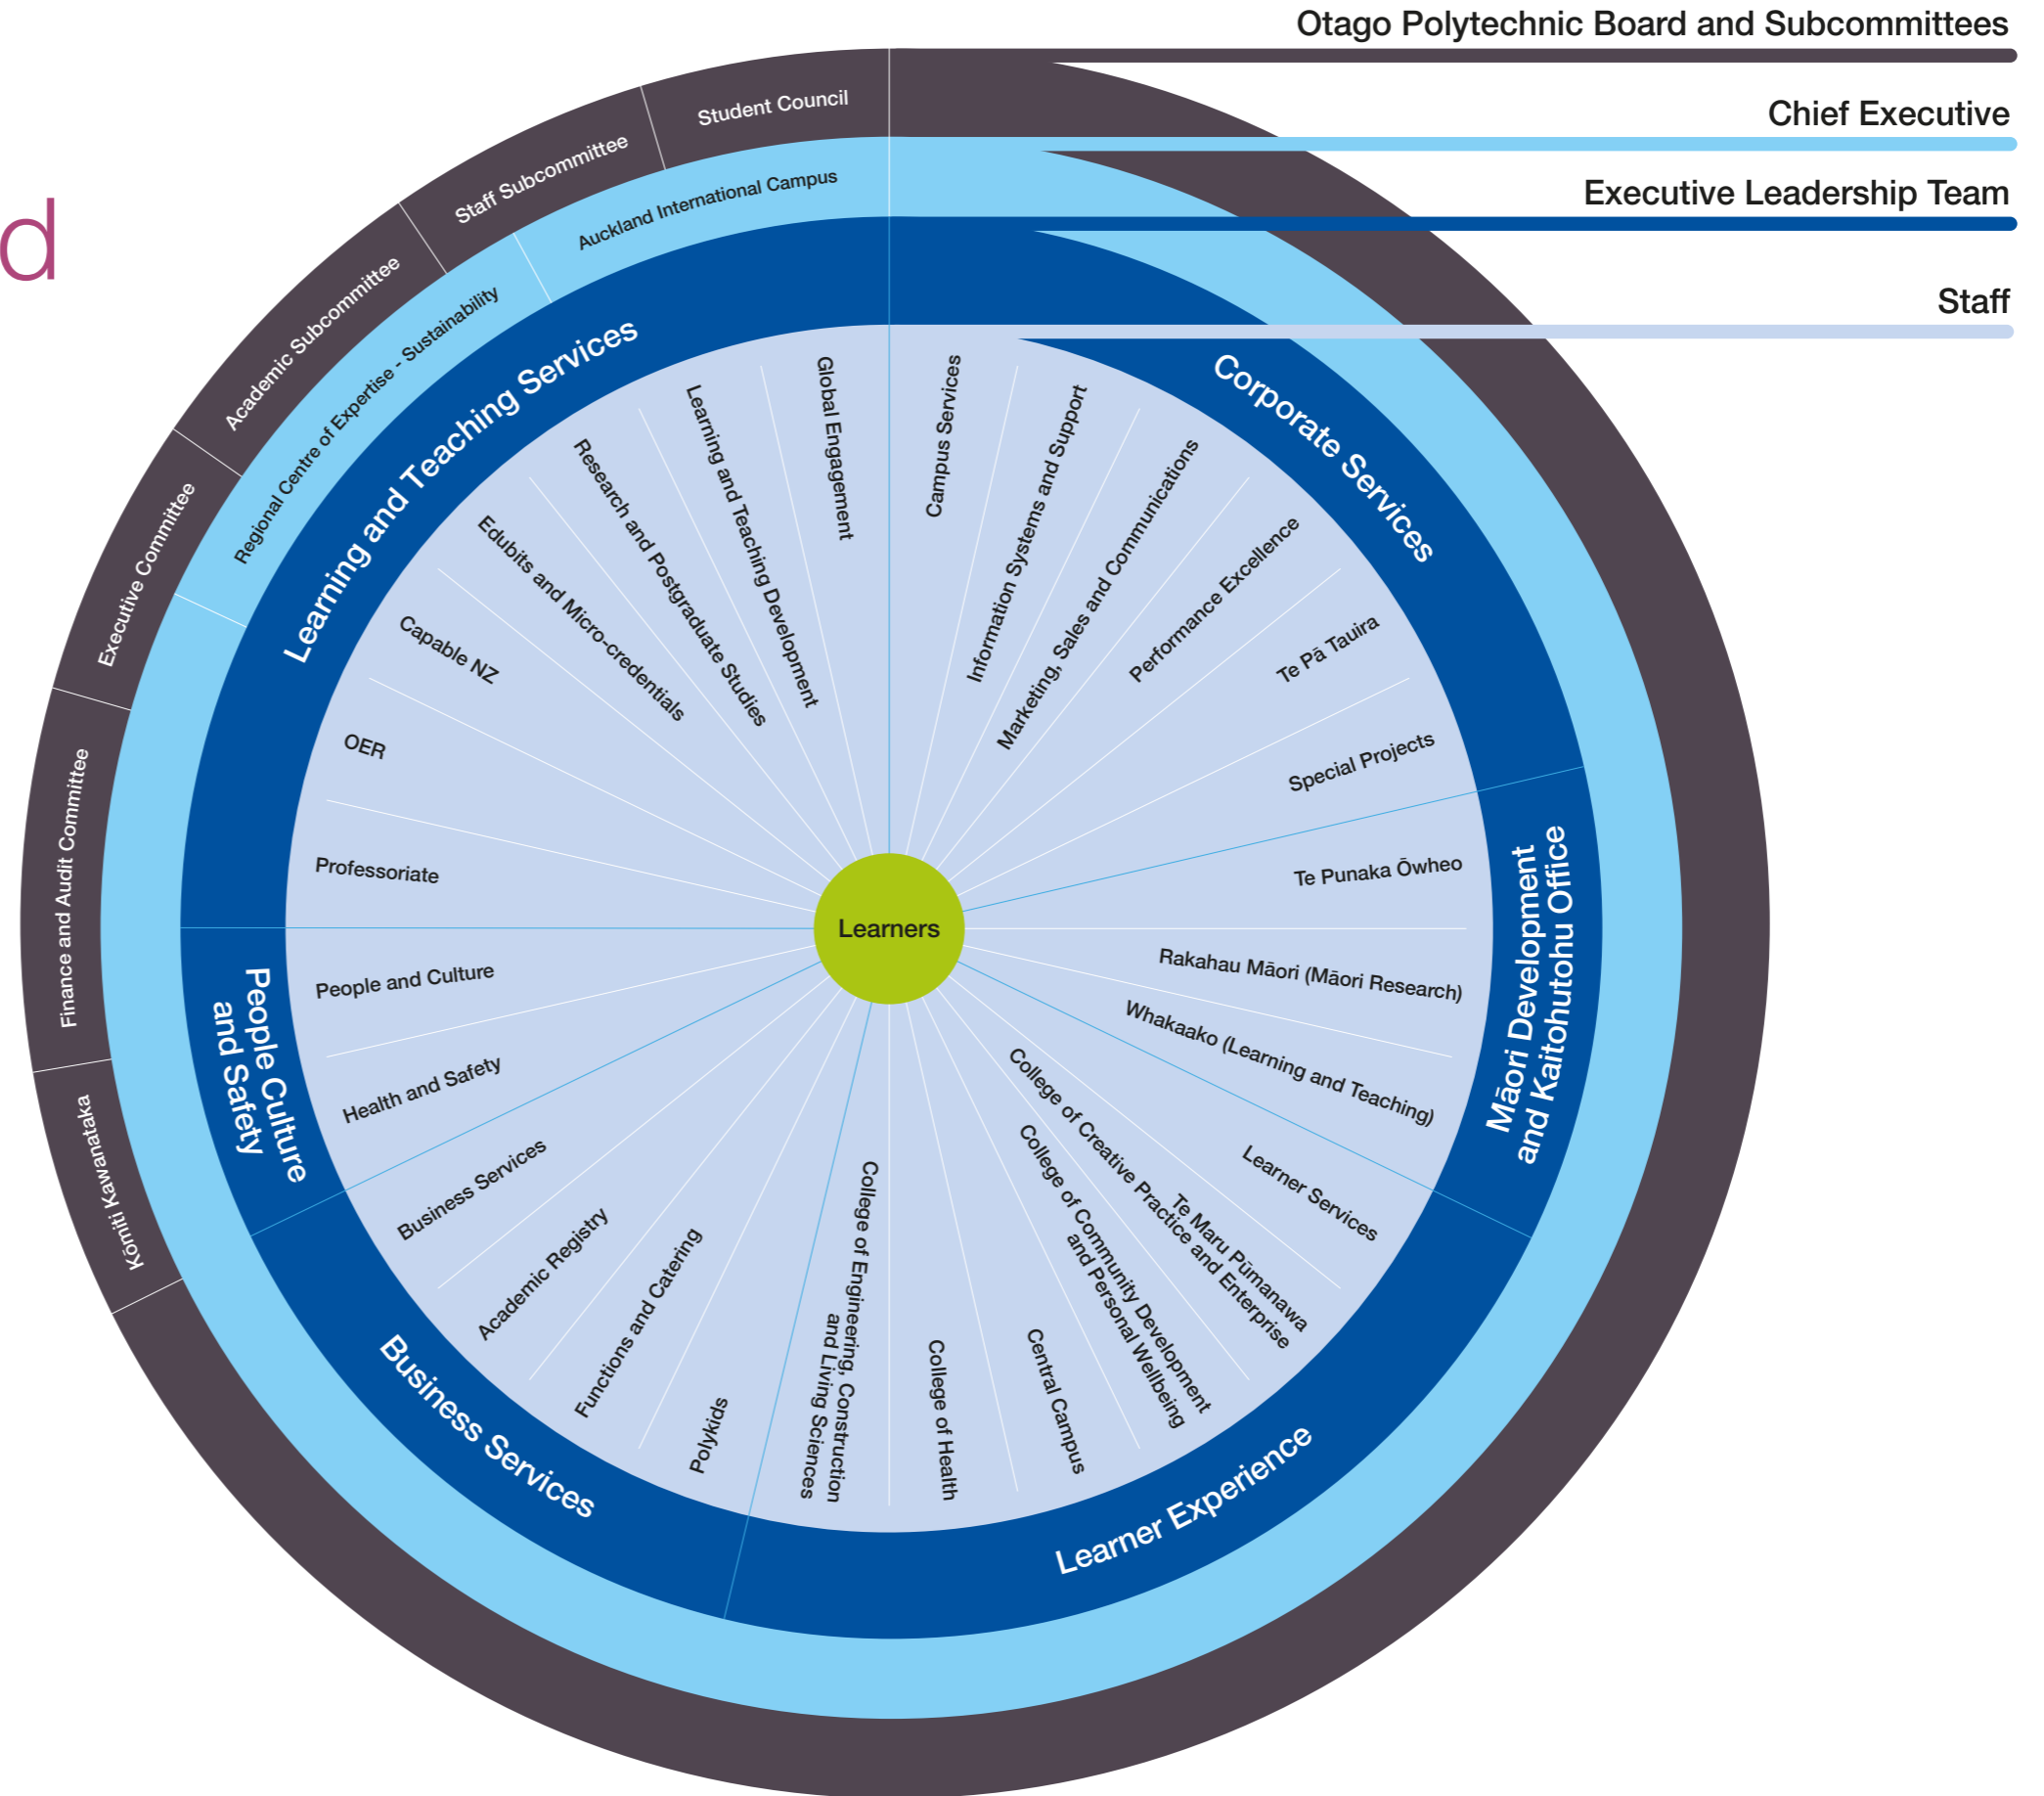

## Our Values | Ō Mātou Uara

## Our Culture | Ō Mātou Tikaka

At Otago Polytechnic our learners are at the heart of everything we do. We trust each other to do what's right for people and the environment. We have a strong sense of purpose and direction. We work collaboratively and are well connected locally and globally, striving always for excellence. We are empowered to make decisions, helping each other excel and celebrating our successes together.

We are future-focussed, not afraid to challenge the status quo, seeing change as opportunity. We pursue ambitious goals and are willingly accountable for achieving results. We constantly improve ourselves and everything we do. Our people feel safe and supported in a caring, inclusive environment. We are proud to be making a better world together.
