

FEES

Confirmation of enrolment will be provided in the form of an invoice. Payment is due within 14 days of the date of the invoice and NO LATER than the programme start date. Any student who wishes to dispute the fees due must do so within one month of receiving the invoice or statement. A request to review the fees or account balance must be made within this month, in writing to the Customer Services Team Leader, Otago Polytechnic. At the discretion of Otago Polytechnic, and with just cause, this period may be extended. Once the request is received, the review will be completed within seven (7) working days. Once the review is completed, any outstanding balance is due immediately. Depending on the programme or course, fees charged will be one or several of (but not limited to): tuition fees, ID card fee, Examination fee(s), Student Health levy, Student Services levy, NZQA Unit Standard fees, and administration fee. Failure to pay any invoice(s) by the due date means you will then be liable for all costs and expenses (including legal costs, debt collection agent fees, and this may affect your credit rating) which may be incurred in the recovery or attempted recovery of the overdue amount from you. Under these circumstances Otago Polytechnic may give to, or obtain from, any relevant third party information held about your personal or commercial credit arrangements. Academic Results for a student will be withheld for any course or programme where fees or any other debt remains unpaid. A student will be prevented from graduating or receiving their award(s) until their debt has been paid in full. The student will also be prevented from re-enrolling in further courses of study.

CANCELLATION OF PROGRAMME OR COURSE

Enrolment in a programme or course is conditional upon and subject to sufficient numbers of students enrolling in the programme or course.

TRANSFERS

Transfers are negotiated with the Head of School or Programme Manager. There are no penalties; however, there may be additional fees required or a refund may be due. Where a student loan has been used to pay fees the refund will need to be returned to StudyLink and a new loan drawn down for the new programme.

WITHDRAWALS AND/OR REFUNDS

The key points of Otago Polytechnic’s refund policy, MP0351 Students Withdrawal and Refund Policy for Year 2016, are summarised below. If you have any questions, contact your school or Customer Services. Make sure you understand the refund policy before enrolling.

If you want to leave your programme or course, you must formally withdraw by filling out a withdrawal form (available from the School Administrator) and then returning it to the School Administrator. Withdrawal is confirmed from the date this form is received by Otago Polytechnic, and will be used when processing your withdrawal in the Student Management System (SMS). The final date for withdrawing from courses in a **programme** that commences in 2016 and receiving a refund will be identified on the student’s invoice. NB The \$250 administration fee is included in the fees paid but is separated from the fees refund if a student withdraws before the last date for withdrawal with a refund.

Please note: If you have more than four consecutive weeks of non-attendance in classes, or non-participation in required online activities associated with your programme or course, and we are unable to contact you, you will be withdrawn.
