

Winter Camp - 2D to 3D Packaging short course

Fee: \$115 (GST included)

Please note: This course is not a STAR course and has no credits attached but it could be subject to STAR funding. Secondary school students, please discuss this with your careers advisor.

*Fees are approximate, subject to change and exchange rates

Location	Dunedin - School of Design, 5th floor H block, Cnr Forth and Union Streets (H515, Level 5, H Block)
Duration	Two days (9.00am - 12.00pm and 1.00pm - 4.00pm)
Delivery	On campus

Start	To be confirmed
Apply	When dates are confirmed

Learn how to conceptualise a box design for the packaging of a product; make paper prototypes and use Adobe Illustrator to generate shapes which will then be laser cut.

Packaging is part of the School of Design Winter Camp. You can enrol in this course (\$115 including GST) or add on our second option for \$230 in total (including GST).

*This short course is subject to final approval.

Entry requirements

> This short course is open to domestic students and international students (who are currently based in New Zealand).

Course content

Content includes:

- > 2D to 3D packaging concepts
- > Paper prototyping techniques
- > How to laser cut a paper prototype from a digital file

Materials

Please bring a pen, a pencil, drawing paper and a USB stick.

Tutor

To be announced.

Location

Please meet at the Design Reception on day one (Level 5, H Block, Cnr Forth and Union Streets, Dunedin - side entrance off Forth Street)
