This programme is **not** available to international students

*Fees are approximate, subject to change and exchange rates

Take your green fingers online!

Whether you enjoy gardening, want to grow food for the family or are already working in the horticulture industry and need to understand the horticultural science which underpins the growing of horticultural crops, this fully-supported online programme is perfect for you.

It provides a great pathway into further study and careers in the horticulture industry such as orchards, vineyards, plant nurseries and garden centres.

Graduates of this programme will receive the New Zealand Certificate in Horticulture (General) (Level 3).

Entry requirements

- > Open entry.
- > This programme is not available to international students.
- > If English is not your first language, you must provide:
 - > New Zealand University Entrance OR
 - > Overall Academic IELTS score of 5.0 with no individual band score lower than 5.0 (achieved in one test completed in the last two years), OR
 - > Acceptable alternative evidence of the required IELTS (see here for NZQA proficiency table and here for list of recognised proficiency tests).

If you need to improve your English Language skills, we offer a wide range of English programmes.

Your workload

You should expect to spend a minimum of 35 hours a week on this programme for full-time study and approximately 17.5 hours a week for the part-time option (Part-time enrolment only available for February intake)

Further study options

Our New Zealand Certificate in Horticulture (Level 3) (Nursery Production) or New Zealand Certificate in Horticulture Production (Level 4) (Fruit Production) are perfect next study steps.

Student loans with TTAF

The Trades and Apprenticeship Fund (TTAF) covers tuition fees and compulsory costs such as student levies.

You also need a laptop or device to study this programme online. The fund will not cover this cost. You can either pay for this yourself or apply for a student loan (course-related cost component) through Studylink.

It is important to apply for your student loan/allowance at the same time as you apply for this programme, due to the length of time Studylink take to process. Loan/allowance applications can be cancelled at any time if you decide to withdraw your programme application or if it is unsuccessful.

Disclaimer

While every effort is made to ensure that this sheet is accurate, Otago Polytechnic reserves the right to amend, alter or withdraw any of the contained information. The fees shown in this document are indicative ONLY. Both domestic and international fees are subject to change and are dependent on the development and implementation of Government policies. Please note that additional fees may from time to time be required for external examination, NZQA fees and/or additional material fees.
