Domestic fee: This programme is not available to domestic students.

Compulsory student levy >
StudyLink >

*Fees are approximate, subject to change and exchange rates

Location Central Otago
Delivery On-campus and some distance learning as well as onsite at local horticultural firms

Credits 40 - 60
Start August - November 2022 (possibly 2023 depending on Covid-19)

Gain hands-on experience working in fruit production.

Regular field trips and work experience will give you a chance to learn in a practical way and you'll also learn health and safety skills which are necessary in this industry.

We'll also help you build your CV and employment skills, and you'll meet plenty of growers during the programme.

You'll graduate with a New Zealand Certificate in Primary Industry Skills (Level 2) with a context in Fruit Production.

Entry requirements

- > Open entry.
- > You must supply us with certified proof of identity.

You will study

This programme runs from August - November and includes a work placement. This will introduce you to growers and potential employers.

You'll learn:

- > health and safety skills, necessary to be a part of the industry
- > practical and technical skills
- > through practical study and regular field trips
- > CV and employment skills.
