Start	Contact for dates.
Apply	Anytime

Learn how to apply agrichemicals safely and accurately, according to the Agrichemical User Code of Practice NZS8409.

This one-day course is held at the Central Otago Campus, Bannockburn Road, Cromwell.

Please note: This course is subject to minimum numbers enrolling.

2022 Dates

Please email andrea.mckenzie@op.ac.nz for information on dates. 2022 dates TBA.

Requirements for the programme

One assessment must be passed to gain the qualification and you also need to complete the course workbook. You will also need to supply evidence of at least 8 spray applications (a Spray Diary) and bring a list of all the Agrichemicals you work with.

Lecture

The lecture will focus your studies on areas relating to the use of the Growsafe manual. You will learn how to use the Growsafe manual to find relevant information and make appropriate decisions relating to agrichemicals.

Complete the Growsafe workbook

On successful completion of the course, the assessment and you have supplied your completed Spray Diary and chemical lists you will receive the Standard Growsafe Certificate.

For more information

Please contact the Central Otago Campus, phone 0800 765 9276.

To apply

Please click the apply button in the top right-hand corner of this webpage to begin the application process.
