**Domestic fee:** $7,808  
**International fee:** $22,830

Offered in Dunedin or Central Otago

Begin your journey from cook to chef.

Available at both our Dunedin and Central Otago campuses, this programme involves lots of hands-on, practical cooking in our training kitchens, and a work placement in a local business. It will expand the skills you have developed in a Level 3 cookery programme.

As well as developing a range of cookery skills enabling you to prepare, cook and present a variety of dishes, you will gain hospitality management skills and techniques which will allow you to create and maintain successful food operations. In turn, this will enable you to learn the important steps necessary to operate and evaluate the performance of a food operation. You will also learn how to develop communication, leadership and critical thinking skills and how to create a safe workplace.

The work experience opportunity will allow you to apply your hands-on learning outside of the classroom and is great chance for you to increase your knowledge and develop real-world skills.

By studying this programme in Central Otago, you will benefit from the unique “paddock to plate” approach and have the unrivalled opportunity to source your ingredients straight from the campus nursery, modern glasshouses and our orchard.

**Skills required**

> The ability to work well under pressure  
> To be motivated and have a good work ethic
A willingness to constantly update your skills.

Entry requirements

- Open entry but preference will be given to those who hold the New Zealand Certificate in Cookery (Level 3) OR equivalent OR evidence of at least one year of relevant industry experience.
- International students will be individually assessed to ensure you are ready for this study. Click here for your country’s equivalent entry criteria.
- If English is not your first language, you must provide:
  - New Zealand University Entrance OR
  - Overall Academic IELTS 5.5 with no individual band score lower than 5.0 (achieved in one test completed in the last two years), OR
  - Acceptable alternative evidence of the required IELTS (see here for NZQA proficiency table and here for list of recognised proficiency tests).

If you need to improve your English Language skills, we offer a wide range of English programmes.

Additional requirements and documentation

- You must supply your academic records, along with certified copies of proof of identity and proof of residency (where appropriate).
- If you have industry experience, please also submit a CV with details of this.

Selection procedure

- If the number of applicants exceed the available places, a waitlist will be used to ensure preference is given to applicants in order of application.

Additional costs

- **Dunedin**: During your induction day, you will have the opportunity to purchase your full uniform from Otago Polytechnic’s preferred supplier. You should expect to spend approximately $700 on programme specific equipment. This will be covered by the ‘Course-Related Costs’ section of your student loan (if you are eligible). You may already have some or all of the required uniform, equipment and textbooks.

- **Central Otago**: You will need to purchase your own knife kit, knives, uniform and textbooks. This will cost approximately $600. Please email central@op.ac.nz

More about the Central Otago experience

Embrace the world-renowned Central Otago food and wine experience and enjoy the chance to use local, fresh produce in your dishes. Our unique approach focuses on sourcing ingredients grown on campus to strengthen your understanding of the connection between ‘paddock and plate’. Our extensive horticultural facilities include a hydroponics unit, nursery, modern glasshouses, orchard and the Bannockburn Road vineyard and give you the opportunity to incorporate locally grown and harvested herbs, vegetables, fruit, berries, salad and wine into your cooking and chef training.

One of the highlights of the programme is the opportunity to showcase your culinary talents at the annual Autumn Plant and Food Fair in Cromwell where you have the chance to create and sell your food to the public. During the course, you will also benefit from the input of knowledgeable guest lecturers.

Further study options

After successfully completing this Certificate, you will be in a great position to apply for the New Zealand Diploma in Cookery (Advanced) (Level 5) (Cookery) offered in Central Otago, the New Zealand Diploma in Hospitality Management (Level 5) offered in Dunedin or the Bachelor of Culinary Arts offered in Dunedin.

Programme specific risks

- **Dunedin**: There are a number of Occupational Safety and Health (OSH) issues associated with practical work in areas specific to a commercial hospitality environment. These include, but are not limited to, burns from hot liquids or hot objects and cuts from sharp instruments. You will have access to an orientation booklet which covers the programme specific risks in more detail.

- **Central Otago**: There are a number of Occupational Safety and Health (OSH) issues associated with practical work in areas specific to a commercial hospitality environment. These include, but are not limited to, burns from hot liquids or hot objects and cuts from sharp instruments. You will have access to an orientation booklet which covers the programme specific risks in more detail.

Central Otago
You will be advised of all risks associated with this programme in the covering letter that is enclosed with all enrolment packs. Parental consent must be obtained if you are under 18.

Your workload
You will spend the majority of your time in the training and production kitchens. You will be required to participate in classroom and online learning. You will undertake work placement which is a vital component of this programme as you will be expected to compare Otago Polytechnic procedures and standards with what occurs in your placement.

Graduate outcomes and qualification structure
Upon successful completion of this qualification, you will be able to:

> Monitor and maintain health and safety, food safety and security practices to ensure your own safety and minimise potential hazards for customers.
> Monitor and maintain interactions between colleagues, managers and customers.
> Monitor and maintain the application of standard operating policies and procedures to work roles in a commercial kitchen.
> Apply cookery skills to prepare, cook and present a range of cold larder dishes employing complex preparation and presentation techniques.
> Apply cookery skills to prepare, cook and present a range of hot kitchen dishes employing complex preparation and presentation techniques.
> Apply cookery skills to prepare, cook and present a range of patisserie and desserts employing complex preparation and presentation techniques.
