Delivery  On campus

Start  To be confirmed for 2021
Apply  Until the start date

This weekend course is designed for those wanting to begin the development of a commercial cherry orchard.

A great starting point for anyone wanting to invest or enter this exciting industry, it involves workshop sessions, discussions, field trips and hands-on advice from a cherry grower.

Dates
This is a two-day, weekend course 14 & 15 November 2020. It will start at 9.00am and finish at 4.00pm each day.

Content
> Commercial cherry production
> Budgets as applied to cherries
> Cherry statistics
> Soils and fertilisers
> Irrigation
> Canopy management
> Risk management
> Markets
> Planting plans.
