Progress your career in the national or international horticultural communities by gaining the knowledge and skills to become a competent leader in the stonefruit, pipfruit, berry or wine grape production industries.

All of our teaching centres around sustainable growing principles and you will gain hands-on experience and industry contacts through professional work experience. In addition, our unrivalled Central Otago Campus practical horticulture facilities include a propagation nursery, hydroponics unit, modern glasshouses, 7-hectare crop production unit and vineyard.

Upon successful completion of this programme, you will graduate with the New Zealand Diploma in Horticulture Production (Level 5) (Fruit Production).
