Take your green fingers online!

Whether you enjoy gardening, want to grow food for the family or are already working in the horticulture industry and need to understand the horticultural science which underpins the growing of horticultural crops, this fully-supported online programme is perfect for you.

It provides a great pathway into further study and careers in the horticulture industry such as orchards, vineyards, plant nurseries and garden centres.

Graduates of this programme will receive the New Zealand Certificate in Horticulture (General) (Level 3).

Entry requirements

- > Open entry.
- > This programme is not available to international students.
- > If English is not your first language, you must provide:
 - > New Zealand University Entrance OR
 - > Overall Academic IELTS score of 5.0 with no individual band score lower than 5.0 (achieved in one test completed in the last two years), OR
